Mentor (part time)

Essential to the growth of all entrepreneurs is having strong mentors to guide their progress. theClubhou.se is looking for multiple mentors in various fields of expertise to help entrepreneurs set goals, maintain accountability, and surmount stumbling blocks. Ideal candidates will have solid records of corporate leadership and a strong desire to help nurture up and coming entrepreneurs. Mentor positions typically involve one hour per week with an entrepreneur and regular communication with the entrepreneur in residence and executive team on entrepreneur progress and needs. Selected mentors will receive a monthly stipend to cover any expenses related to program participation.
